

Sample Commercial Lease Excerpt: Force Majeure Clause

Section 14. Force Majeure.

Neither party shall be liable for any failure or delay in performance under this Lease to the extent such failure or delay is caused by acts of God, war, governmental order or regulation, or any other cause beyond the reasonable control of the affected party (each, a 'Force Majeure Event').

The party claiming relief under this Section shall provide written notice to the other party within ten (10) business days of the onset of the Force Majeure Event, describing the event and its expected impact on performance.

If a Force Majeure Event continues for more than one hundred eighty (180) consecutive days, either party may terminate this Lease upon written notice, without further liability except for obligations accrued prior to termination.
